

December Kindergarten Homework

	Monday	Tuesday	Wednesday	Thursday	Friday
Week 1	Write 1-2 sentences about your favorite food from a Thanksgiving meal.	Use the attached sheet to show different ways to make 10.	Write and draw pictures for 5 words with middle vowel a. Ex: Pan, bat, etc.	Compare your family to a family in another country. What do you have in common? What is different?	Write and draw about 3 ways you can be a good friend.
Week 2	Research an animal of your choice. Write down facts (not opinions) about this animal.	Count the door knobs in your home. Show all the ways that you can to represent that number. (tally marks, dice, word, domino, etc.)	Write and draw pictures for 5 words with middle vowel e. Ex: Pen, bet, etc.	Find 3 things in your house that are magnetic. Find 3 things that are not magnetic.	Write and draw about how you can help others.
Week 3	Use the facts from last Monday's homework to write a non fiction story about your animal. Illustrate your story.	Skip Count by 10's to 100. Draw pictures to represent each set of 10.	Write and draw pictures for 5 words with middle vowel i. Ex: Pin, bit, etc.	Rainbow write your color words. (red, blue, green, black, white, brown, orange, etc.)	Write a sentence with each of these sight words: play have like
Week 4	Write a non fiction story about friends. Illustrate your story.	Create a pictograph for the number of girls and boys in your family. Make sure to include a title and key.	Write and draw pictures for 5 words with middle vowel o. Ex: pot, rot, etc.	Draw pictures and label 5 things that are magnetic.	Draw and label a picture of the grinch. Write 8 words that describe him.
	Write a non fiction story about a place you would like to visit. (a country, a store, a person's house, etc.)	Count down from 20. Write down all of the even numbers and the odd numbers to 20.	Write and draw pictures for 5 words with middle vowel u. Ex: bug, mug, etc.	Teach a family member about the difference between wants and needs. Complete the cut and paste page attached.	Write about a winter activity you and your family do together.

December Kindergarten Homework

Name: _____

Making 10

Using 2 different colored cubes make a train of 10. Keep each color together. How many DIFFERENT trains can you make? Color the train you make and write the math sentence.

--	--	--	--	--	--	--	--	--	--

5 + 5 = 10

--	--	--	--	--	--	--	--	--	--

 + = 10

--	--	--	--	--	--	--	--	--	--

 + = 10

--	--	--	--	--	--	--	--	--	--

 + = 10

--	--	--	--	--	--	--	--	--	--

 + = 10

December Kindergarten Homework

Name: _____

Directions: Cut out the images along dotted lines and paste them on the boxes marked wants or needs.

wants				needs			
sports	food water	pets	air	shelter	birthday	toys	clothing
